Dynamic Memory Cards

Memory Game

Find all the card with a dynamic symbol and place them upside down in a row. Then make a row of cards with Italian terms and a row with English definitions.

Turn over one card from each row.

Do the 3 cards make a match? If so, pick them up and put them aside. If not, turn them back over and try again. See how many tries it takes to match all the cards!

To Make a Match You Need:

A **Symbol**

An **Italian term**

An **English Definition**
